PROFILE	Choreographer and stage director, graduated in ballet direction. I conceive and lead productions from end to end: choreographic writing, artistic choices and direction, production assembly, casting, distribution. Trained in the Ukrainian classical school (Vaganova) and the American contemporary school (Complexions, Alvin Ailey, Balanchine), I have built, since 2013, a dance company and then an international production structure, with the producer Tetiana Hordieieva. Nearly twenty years of large-scale projects in Ukraine and Central Asia: opera, ballet, venues of 10,000 spectators, casts of 282 athletes from 30 countries, ceremonies before delegations from more than 70 states, live television broadcast. Based in France since May 2026, to develop my own line of creation in ballet there.	
ARTISTIC DIRECTION AND CREATION	2027 →	Choreographer and artistic director (France). Development of ICARE, a one-act ballet on the score by Igor Markevitch, offered for co-production from 2027. Seeking co-producers and creative partners.
